

A top-down view of a still life arrangement on a textured, light-colored surface. On the left is a rectangular gift wrapped in grey paper with a light brown ribbon tied in a bow. Above the gift is a small, round, open tin candle with a white wax. To the right of the candle are several pinecones of different sizes, some with small white tags attached. Further right are a few small fruits, including a green apple and an orange. In the bottom right corner, a portion of a white ceramic bowl and a striped fabric are visible.

First and foremost I want to thank each and everyone of you for supporting us since we opened back up on the 29th of June after lockdown, I very much appreciate your patience and understanding as we do our best to comply with all the guidelines and ensure everyone's comfort and safety whilst with us. With Summer over, it's time to 'Cosy Up' as we launch our new seasonal collection and what a stunning array of products we have for you.

With darker nights drawing in, leaves falling off the trees and the real sense of getting cosy at home, we have everything you need to make it the cosiest season yet. Our luxury lush throws and selection of tipped fur cushions sort out the comfort on the sofa or bedroom, matched with our large selection of scented candles including our ever popular Max Benjamin range, also, illumens - nutmeg and cinnamon (one of our favourites that will definitely get you in the seasonal spirit. We're also excited to stock the Birch Bark, hand made candle range in various sizes with a unique wood effect appearance. If it's about getting wrapped up to head outside and enjoy the fresh air, our 'Powder' gloves and boot socks not only look beautiful, they will keep you lovely and warm at the same time.

This month, (September) also sees us celebrate our 6th Birthday and we will be sharing very soon how we plan to celebrate this – a few wee surprises up our sleeves, keep an eye on our Facebook and Instagram pages for details. We're so excited about this season and can't wait to tease more about our Christmas plans too. Stay safe and we very much look forward to welcoming you all in store soon.
