Comfy and Cosy this Autumn with CARDHU.

With summer now coming to end, it's time get your home set up and ready for an Autumn season like no other with our 'Comfy and Cosy' collection at CARDHU. As we all get prepared for the late nights, windy skies, and autumnal leaves all around, you'll get everything you need to keep you and your home feeling comfy and cosy this season.

So, what do we have? A stunning range of wall art to choose from including, 'The King' and 'Autumn Fields' to add some colour to the walls at home. If it's a scent you're looking for, we have that covered too with our new Blomus Natural Fragrance Candle range which comes in three sizes with diffuser to compliment each scent; you've got to try the Sandalwood Myrrh, the candle is free of palm-oil, produces a low amount of soot and is environmentally friendly. Our unique 'Antler' giftware range is ideal for your own kitchen or gift for a friend or family member, from mugs, jugs to storage jars (to keep the cookies in). What about some blankets and cushions? Yeah, we get it, and we've loads in-store. Our favourite throw is the Cosy Cloud range that comes in several colours: Light Grey, Charcoal, Mineral Blue, and Blush Pink.

Thanks again to each and everyone of you that have tuned into our Facebook LIVE events, they've been a great way to share what's in-store and get to know some of our customers online. Join us at our next LIVE on Thursday 23rd September at 8pm. We will have plenty more planned across the season, especially for Winter, (Hello Christmas). We're so excited about this season and can't wait to tease more about our Christmas plans too (it's going to be magical). Stay safe and we very much look forward to welcoming you all in store to see the whole collection soon.
