Yes, to Summer! Who's ready for the season ahead? We are, and we can't wait to welcome you in-store to enjoy our stunning collection that's ideal for your destination of choice this Summer; whether it be your home, garden, or vacation – we've got it sorted.

Based in Troon and literally a short stroll from the beach, our 'Coastal' range has something for everyone to take a small piece of coastal, beach life back home including our Textured Shell Decorative Ornament, Radar Lighthouse, Sailboat and the stunning Coral Vase and Bowl. If your garden is the destination for you to enjoy this season, (here's hoping for the weather), we have various products that will add to your creative look from the beautiful Mango Wood range including bowls, trays and chopping board – present your cuisine on style. We have artificial Topiari Trees, outdoor Lanterns and many other products that will help make your garden the ideal destination to relax and enjoy.

If you're heading away for a weekend or longer, we have all your travel essentials within the Scottish Fine Soaps Natural Collection, starting at £5.99 with hand cream, body wash, body cream and more... we're loving the Coriander and Lime Leaf range...lush! Try the tester hand-cream instore.

Thanks again for your support with our Facebook LIVE sessions, these will return this Autumn – keep your eyes peeled for more information.
