CELEBRATING 10 YEARS

'Something New' with CARDHU this Spring.

Finally, Spring has arrived and at CARDHU we've so much to be excited about as we launch our #SomethingNew campaign for the season ahead. I'd like to start by saying a quick thanks for your support whilst we closed the shop for a few days for some refurb, adding some new flooring, wall paint and of course, adding something new to the in-store collection.

This campaign is all about something new for you or your home as we enter the new Spring season and we've plenty to talk about and share including the beautiful, 'Scotland Made' range that is made of Sustainable Oak from Scotland and includes table mats, coasters and more. If it's a new clock or piece of wall art you're looking for we have it sorted – our guitar, 'Strings' framed art is the ideal addition to any wall in your home. As we get set for the clocks going forward our 'Thomas Kent' range has multiple shapes, sizes, and colours to choose from.

You know we love a candle at CARDHU and the 'illumens Countess Marie' has the spring scent that will brighten up any room in the house or the ideal gift for a special person this Easter – lush!

It's not only the season ahead we're looking forward to, but in September we will celebrate, (in style) our 10th Birthday and we're working behind the scenes on some big and exciting plans to mark the occasion in style. Watch this space for much more on this.

Enjoy a browse at our 'Something New' look book that's packed full of our season favourites. We look forward to welcoming you in-store soon, remember our website store is always open. www.cardhugiftsandinteriors.co.uk
